

Letter Appealing for Extention

March 26, 2015

I, Rabia Khedr, am appealing to the court to request an extention on filing my financial statement under the Municipal Elections Act. I campaigned in 2014 for the office of City Councillor in Ward 6, MISSISSAUGA Mississauga.

This was my first campaign. We had limited financial resources for the management and administration of the campaign and depended on volunteers and students throughout the process. As a person with a disability, being blind, I also depended on others for some of the paperwork. Our records are in order for an audit which is required since we raised over \$10,000 for the campaign. The accountant had made arrangements with an auditor to review the file and complete the necessary documentation for the filing. However, this auditor went on vacation this week. I have been searching for an auditor, but no one to date has agreed to handle the file and meet the deadline of 2pm this Friday March 27, 2015.

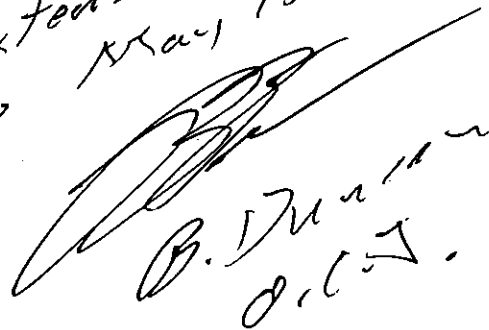

I am requesting a reasonable extention to a maximum of 1 month to make a complete submission to the Elections Office at the City of Mississauga. I would appreciate your consideration of the situation and look forward to a favourable response. Thank you.

Cordially,

Rabia Khedr
